	on 26 October. Shuttle-train with soldiers was dispatched to Falkenberg.	
	On 28 Octobe. Shuttle-train was to be made available at Justerbog-1 tes Lager for the entraining of soldiers. Shuttle-trin with soldiers was to be turned over to the	
	Greifswal railroad district at the Loewenberg railroad station. Shuttle-rain was to be unloaded at the Drewitz railroad station and disp tched empty to Neustrelitz.	50X1-HUM
	On 29 (stober. Forty converted boxcars were to be made available at the Frankfort/Oder railroad station.	
	On 7 October. Shuttle-train arriving from the eas' was to be rilliaded at the Rathenow-Nord railroad station.	50X1-HUM
	Shittle-train arriving at Kuestrin-Kietz was to be dispatched to Sottbus.	50X1-HUM
	Tattle-train with soldiers from Jueterbog-Altes Lager has to be turned over to the Halle railroad district.	
1.		50X1-HUM
2.	Comment. Shuttle-train was first reported with recruits e	
	route from Gerdauen to Frankfurt/Oder on 6 October 1952. As the same train was also reported westbound with Weimar as receiving	50X1-HUM
_	station on 19 October 1952 in the present report, it is believed that the train had made a trip to the U.S.S.R. between 6 and 19 October 1952. The same train consisting of 53 boxcars with dischargees	50X1-HUM
Ľ	en route from Frankfurt/Oder to Cerdauen on 21 October 1952.	
	Shuttle-train was observed on 12 October 1952. The westbound train came from Kuestrin and carried recruits, which is confirmed by the present report. The empty train left weimar on 15 October 1952 and was probably leaded at an undetermined post,	50X1-HUM
	possibly at Frankfurt/Oder to Gerdauen on 18 October 1952.	50X1-HUM
		÷
3.	Comment. These troop trains probably transported small units of the Second ids Secz Army which had participated in field exercises.	
	Comment. The troop train previously observed The train carried a tank unit of the 1st Mecz Div.	50X1-HUM
5.	The troop train from Neuruppin to Dallgow-Doeberitz probably carried military personnel.	
6.		
	Corrent

B. Ch. ayoon ach — U.S. Chr. Louine. Oile	50X1-HUM
Corrent went with recruits from Frankfurt/Oder to Toustrelitz on 22 October 1952. The train probably came from Tubon. It is believed that the same train went empty from Heustrelitz to Veuruppin on 26 October 1952, where it was loaded with dischargees on 27 October, and left for	50X1-HUM
the U.S.S.E. through the Greifswald railroad district via Juben on 20 October 1952.	50X1-HUM
probably arrived at Tathenow with recruits prior to 25 October 1952, where the recruits were unloaded. Therefore, the train probably went empty from wathenow to Burg.	50X1-HUM
huttle-train tent from Cettbus to Justerbog, probably with recruits, on 22 October 1952. parture from Justerbog to the east via Eusstrin on 20 October 1952 is confirmed by the Cata in paragraphs 5 and 6. Thus, it is believed	50X1-HUM 50X1-HUM
that the smuttle-train from Bad Traienwalde to Kuestrin on 28 October 1952 in para raph 5 was misread.	50X1-HUM
Shuttle-train went with dischargees from Frankfurt/Oder to Rovel via Guben on 20 October 1952	50X1-HUM 50X1-HUM
Shuttle-train was dispatched from Frankfurt/Oder to Gordauen with dischargees on 22 October 1952. Thus, it is believed possible that the train returned with recruits to be unloaded at Drewitz on 28 October 1952.	50X1-HUM
Shuttle-train arrived with recruits at Ruben from Jagodin and was redispatched toward Sottbus on 19 October 1 52. Its return to the east via Juben was not observed. However, the training have beturned from the east within the period mentioned, to be unloaded at Rathenew-Ford on 30 October 1952.	50X1-HUM
Stattle-train was reported by two sources en route from Juster to Kuestrin with discharges on 24 Cetober 1952. Therefore, its return from the east, probably with recruits, on 30 Ce 1°52, appears possible within the period mentioned.	
Shuttle-train went with soldiers from duben to Kowel on 21 Oct 1952. As, according to the present report, t train left Justerbog eatward with dischargees on 30 October 1952, it believed that the train had once returned from the east, probably wit recruits, between 21 and 30 October 1952.	he SUAT-⊓UW is
Gomment. 7. / A troop train with from Annaberg to Jueterbo	50X1-HUM
